

## Welcome to the 2021-22 Creative Schools Survey!

Through this annual survey, you will be asked to share information about arts education staffing and instruction at your school, partnerships with arts partners (i.e. arts organizations), and how your school budgets and plans for the arts.

We ask that you answer the following survey questions to the best of your knowledge so that we may provide you the most accurate information to help guide your teaching going forward.

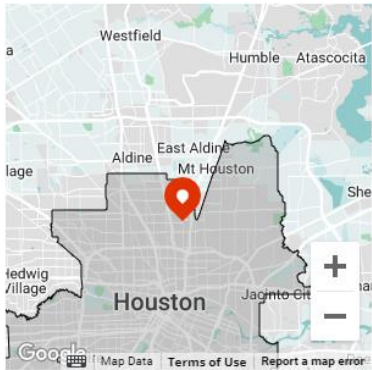

As you work on the 2021-2022 survey, please be sure to frequently save your responses to each question to avoid losing information. You are not required to complete your survey in one session; saving your responses as you go will allow you to return at any time to complete or edit your survey before submitting.

THANK YOU for completing this survey! Please feel free to reach out to [artlooksupport@artsconnecthouston.org](mailto:artlooksupport@artsconnecthouston.org) with any questions!

## School Survey

### Elementary courses only

What was the average weekly minutes of instruction provided for each arts class section at your school in 2020-21?

We may have already collected some information about the arts classes offered at your school from your school district or state department of education. Please add any classes that are missing from this list. For each class section, provide the average weekly minutes of arts instruction across the 2020-21 school year, and (if not pre-populated) the student enrollment in each section. All responses will be reviewed for accuracy.

Please report this information for elementary grade levels at your school.

[Click here for additional information.](#)

Edit Response

Who taught arts courses at your school in 2020-21?

We may have already collected some information about the instructors that taught arts courses at your school from your local school district or state department of education. Please add any instructors who are missing from this list. For each instructor listed, please provide full-time/part-time status and disciplinary focus(es). Please only include instructors that taught art courses during the school day; do not include individuals from outside your school, such as teaching artists. All responses will be reviewed for accuracy.
